WELCOME TO BOWOOD COURT

Bowood Court Care Home provides residential, dementia and respite care in Redditch, Worcestershire. Our welcoming and compassionate team provide person-centred care, tailored around each individual. Our staff are always on hand to ensure all residents see Bowood Court as a home from home.

With a range of lounges and relaxation areas, residents can find the perfect mix of social interaction in our beautifully decorated communal areas or privacy in our well-equipped and spacious en-suite bedrooms, some of which boast views of our attractive sensory gardens. Residents enjoy separate restaurant-style dining rooms and lifestyle kitchens to promote independence.

Our catering team take great pride in preparing a great choice of high-quality fresh food for residents to nourish and enjoy.

LIFE AT BOWOOD COURT

We host a varied and engaging programme of activities and events, designed to enhance residents' physical, mental, and spiritual well-being. From creative pursuits such as painting, baking, and gardening, to regular visits from local performers and entertainers, our activities are curated to inspire and engage our residents individually and as a community.

Our fabulous choice of lifestyle facilities throughout the home include a hair salon and nail bar for a little pampering, and our very own in-house pub, the Queen Elizabeth Arms, where residents can enjoy catching up over their favourite tipple.

Residents living with dementia are supported with sensory areas, reminiscence activities, and memory boxes to encourage a sense of peace and belonging.
